Welcome Back K-2 and Grade 1 Students!

We have missed the students so much and were delighted to see so many returning this morning. Our new K-2 desks were a big hit!

Students remembered the rules about walking in the hallways and on the stairs, they raised their hands when they had a question or comment and cleaned up after they had breakfast and lunch. K-2 students danced in Spanish with Ms. Sosa while keeping socially distant.

All in all it was a very successful first day, and we couldn't be happier!

Tomorrow, K-1 comes in for the first time--we are ready!
