

School Site Council
Minutes
Wednesday December 2, 2015

Mr. Carrero welcomed all parents and SSC members that were present.

- Parents were reminded of our Winter Uniform Policy, especially for female students being allowed to wear uniform school pants effective December 1st thru March 31st. Winter boots may be worn to school but students need to bring in their school uniform shoes to change into.
- Mr. Carrero addressed the Attendance/Tardy Policy and in particular emphasized the importance of parents not extending holiday vacation. He explained that LFDCS has a slight longer holiday break than other schools which allows parents to travel and be back in time when school re-opens.
- Winter school cancellations were discussed, and parents were reminded to watch for our school full name during the televised school cancellations. Cancellations are also posted on our website and a OneCall is sent out to all families and staff.
- GRADE and GMADE have finished and the Admin. Team is putting together the data to determine Saturday Academy attendance. Parents were informed that letters will go home soon.
- Mr. Carrero briefly mentioned that the school is moving towards a Paying for School service online in the near future--for example parents will be able to make payments for the After School Program, Test taking, Field trips, etc. online.

Suggestions were addressed
