

IXL, <https://www.ixl.com/> - IXL offers math practices for students. LFDCS purchased memberships for our students (Grade 1- Grade 8) who can get unlimited practices and track their awards/certificates online.

Learning Chocolate, <http://www.learningchocolate.com/> - *Learning Chocolate* is a visual-audio vocabulary website that helps students practice/learn both Spanish and English vocabularies. After reviewing the vocabularies, students can also play up to 5 fun games to see what they've memorized! To get started, choose the language preference on the Home page.

National Geographic Kids (Nat Geo Kids), <http://kids.nationalgeographic.com/> - Nat Geo Kids provides multimedia learning resources that teach kids about habitats, countries and culture. These interactive and visually-appealing resources captivate students' attentions and motivate them for reading instruction.

BrainPOP Jr. (K-1-Grade 3): <https://jr.brainpop.com/> - *BrainPOP* provides animated movies, learning games and interactive quizzes. It covers topics within Science, Math, Social Studies, English Language Arts, Technology, Engineering, Arts, Music, Health, Reading, Writing and Spanish. LFDCS purchased memberships for our students (K1- Grade 3) so that students can watch and learn from those resources at home. Please contact June (jkim@lfdcs.org) if you have a question about your child(ren)'s account information.

DKfindout!, <http://www.dkfindout.com/us/> - *DKfindout* is an online encyclopedia that is designed for elementary school students. Students will be able to search age-appropriate multi-media resources and learn about diverse topics, such as presidents, [space](#) and the [animal kingdom](#).

International Children's Digital Library (ICDL), <http://en.childrenslibrary.org/> - *ICDL* provides a collection of free e-books from more than 40 countries and in 55 languages including Spanish and English. The site allows users to search for books by age, country, language, length or genre. Below are links for Spanish and English books.

- Books in Spanish: <http://www.childrenslibrary.org/icdl/SimpleSearchCategory?ilang=Spanish>
- Books in English: <http://www.childrenslibrary.org/icdl/SimpleSearchCategory?ilang=English>
- [Issues and Advice](http://www.pbs.org/parents/issuesadvice/) : <http://www.pbs.org/parents/issuesadvice/>
- Educational Online Games: <http://www.pbs.org/parents/fun-and-games/>

PBS for Parents, <http://www.pbs.org/parents/> - *PBS for Parents* provides valuable school-related resources and expert advice on the parenting issues. Check out the [Expert Q & A](#)

blog on

[Issues and Advice](#)

page. Also, visit

[Fun and Games](#)

for engaging, age-appropriate games from your children at home.

WordArts: ABC Ya, http://www.abcya.com/word_clouds.htm - ABC Ya allows users to create "Word Arts" from text that you and your children provide. ABC Ya gives greater prominence to words that appear more frequently in the source text--change font style, layout and color schemes depending on your preference!

Cool School: where Peace Rules, <http://www.coolschoolgame.com/> - Cool School is an online game that teaches children how to morally react to conflicting situations at school by asking them to choose their own behaviors.

Childnet, <http://www.childnet.com/> - *Childnet* provides an e-safety guide for parents and is designed to help you as a parent keep up to date on how children should use the internet and shows you how to guide them appropriately at home.

YouTube Kids (iPads App)** - YouTube Kids is a kid-friendly portal to YouTube that features curated TV shows, music, educational videos and user-created content. Parents can set a timer on the YouTube Kids App; however, parents need to be aware that some videos have ads.
