

Rising to the challenges of remote teaching & learning in 2019 - 2020

Lawrence Family Development Charter School's Innovative Learning Team (ILT) was established in the 2018-2019 school year to use digital tools in the classroom **thoughtfully**, **effectively**, and **efficiently**.

Here are two examples of the work LFDCS teachers have done, associated to the ILT.

A math activity, AUGMENTED to leverage technology to enhance the lesson by making student thinking visible, by ILT member Andreina Croes.

A Seesaw Activity, created by 3rd grade teacher Michelle Pickles who took the online Seesaw course instructed by ILT member Elizabeth Lupa.
