VISUAL ARTS

Hello LFDCS community, welcome to the '24-'25 school year! My name is Mr. Fielding for those of you who haven't met me before. I graduated college with a degree in jewelry design, and I like to make jewelry, clothing and books. This year is my second full year teaching art, and I am so happy to be here at LFDCS. This year we will be learning how to paint with watercolors, how to sculpt and paint with beeswax, how to sew, knit and crochet, among many other things.
