

## *The Ten Principles of Success*

- 1. LFDCS has one goal - to achieve excellence.*
- 2. LFDCS staff guides students to excellence through cooperation, mentoring and rigorous instruction.*
- 3. LFDCS staff delivers research-based, data-driven best practices to maximize student achievement.*
- 4. LFDCS staff encourages and supports each other as a learning community to implement best practices.*
- 5. LFDCS staff integrates state-of-the-art technology to enhance learning and meet the needs of our educational community.*
- 6. LFDCS staff members are self-reflective learners who rise to meet challenges and make changes when necessary.*
- 7. LFDCS staff members are innovative and take calculated risks.*
- 8. LFDCS promotes strong, culturally-proficient communication between school and home that benefits and fosters student growth and responsibility.*
- 9. LFDCS mandates family involvement in the education and development of their children.*
- 10. LFDCS provides a safe, respectful and supportive environment for the development of all.*
